Murder Mystery

At Farrands, our team has thoughtfully curated a distinctive cocktail menu for you to enjoy. Every six months, we'll debut a new collection that explores a different theme, each one an invitation to discover something new and unexpected.

For this menu, we've drawn upon our collective fascination with Murder Mystery media. From classic whodunits to modern twists, our favourite tales of intrigue have inspired every drink you'll find here.

We've looked everywhere for clues; books, films, even board games! If there was an unsolved case, we wanted to capture it in a glass.

Each cocktail is inspired by one of our personal favourites, and we invite you to ask us why we chose the stories we did. Who knows, we might even have the book on hand for you to peruse while you sip.
